Dizzy Miss Lizzy

```
                           A    A                        A
  You make me dizzy Miss Lizzy  The way you rock and roll
A                          D    D                  A
  You make me dizzy Miss Lizzy  When you do the stroll
A                 E       D                        A    E
  Come on, Miss Lizzy   love me 'fore I grow too old

                  A     A                           A
Come on, give me fever,   Put your little hand in mine
A                          D     D                   A
  You make me dizzy Dizzy Lizzy,  Girl, you look so fine
                              E
You're just a-rockin' and a-rollin'
 D                            A      E
Girl I Said I wish you were mine

                         A     A                    A
You make me dizzy Miss Lizzy,   When you call my name
A       D     D                       A
  Ooh  baby, Say you're driving me insane
A                                     E
  Come on, come on, come on, come on baby,
   D                      A     E
I want to be your loving man

                   A     A                        A
Run and tell your mama     I want you to be my bride
A                      D     D                     A
  Run and tell your brother   Baby don't run and hide
A                          E
  You make me dizzy, Miss Lizzy
 D                     A      E
Girl I want to marry you

                  A     A                           A
Come on, give me fever,   Put your little hand in mine
A                          D     D                   A
  You make me dizzy Dizzy Lizzy,  Girl, you look so fine
                              E
You're just a-rockin' and a-rollin'
 D                            A      A
Girl I Said I wish you were mine
