

# Good Golly Miss Molly

                  A          A                  A      A  
Good golly miss Molly,      sure like to ball,

                  D          D                  A      A  
Good golly miss Molly,      sure like to ball,

                                  E  
When you're rockin' and a rollin',

D                          A      A  
  Can't hear your mama call

                  A                                  A  
From the early early mornin' to the early early night,

                  A                                  A  
When I caught miss Molly rockin' at the house of blue lights,

                  D          D                  A      A  
Good golly miss Molly,      sure like to ball,

                                  E  
When you're rockin' and a rollin',

D                          A      A  
  Can't hear your mama call

                  A                                  A  
Mama, papa told me Son, you better watch your step,

                  A                                  A  
If they knew about Miss Molly have to watch my pa myself

                  D          D                  A      A  
Good golly miss Molly,      sure like to ball,

                                  E  
When you're rockin' and a rollin',
