Well, I saw my baby walkin', With another man today

Well, I saw my baby walkin', With another man today

When I asked her what's the matter

This is what I heard her say

See you later alligator, After 'while crocodile

See you later alligator, After 'while crocodile

Can't you see you're in my way now

Don't you know you cramp my style

When I thought of what she told me

Nearly made me lose my head

When I thought of what she told me

Nearly made me lose my head

But the next time that I saw her

Reminded her of what she said

See you later alligator, After 'while crocodile

See you later alligator, After 'while crocodile

Can't you see you're in my way now

Don't you know you cramp my style
